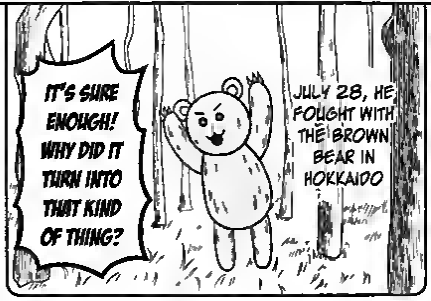
WHY COULDN'T YOU OPEN IT NORMALLY...
第3幕 萩月流出没注意

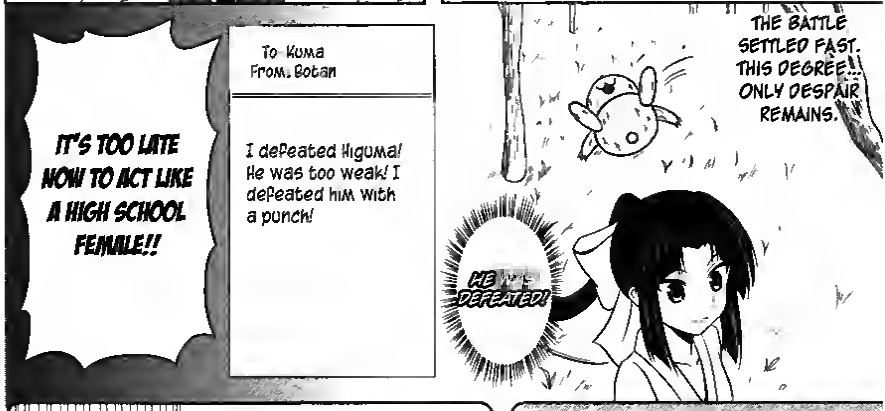
But to be able to cut it with just using your hands
There's strictly no way you can cut things with your hands
Every-one clap!
And that's how it is from Hagitsuki-ryuu,
martial arts demonstration by Botan-chan
CAUSE I CAN'T DO THAT KIND OF THING!
THERE IT IS, MANGA COMMENTARY
then a vacuum state of the moment will start to be made
It's a cutting principle that says that You swiftly move your hand
HUHHHHH?
THE PEOPLE I ENDED UP TALKING TO IN THE GLUE CHAT ARE UNIMPORTANT.
By the way, this is some-thing very important, so
Keep it a secret
About the Manga commentary, Actually there is a scientific explanation for this also in baseball mangas like how it's also used in the baseball manga Magic ball Related words. Thermal Expansion



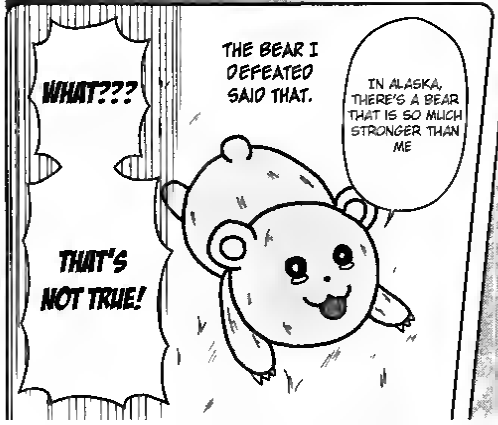
IT'S SURE ENOUGH! WHY DID IT TURN INTO THAT KIND OF THING?
JULY 28, HE FOUGHT WITH THE BROWN BEAR IN HOKKAIDO

They were able to report about it to us one by one though, the results were bad
I mean, because Botan-chan tends to be pretty strong
And there was a lot of people that wanted to challenge her like Mr bear's sheer during last year's summer break.
What's with the sheer with bad premonitions?

WE DON'T EVEN HAVE A REASON TO FIGHT NOR DO WE HAVE HIGH SCHOOL GIRL FRAGMENTS.
NOT WITHOUT IT!
They were only able to find out that Brown Bear is one of Japan's best wild animals



IT'S TOO LATE NOW TO ACT LIKE A HIGH SCHOOL FEMALE!!
To: Kuma
From: Botan
I defeated Higuma! He was too weak! I defeated him with a punch!
THE BATTLE SETTLED FAST. THIS DEGREE... ONLY DESPAIR REMAINS.
HE WAS DEFEATED!



WHAT???
THAT'S NOT TRUE!
THE BEAR I DEFEATED SAID THAT.
IN ALASKA, THERE'S A BEAR THAT IS SO MUCH STRONGER THAN ME

YOU WERE ABLE TO DEFEAT ME, BUT THERE IS ONE STRONGER THAN I...

JULY 30, ALASKA
SHE ACTUALLY WENT!!
IN THE BACK OF THE FOREST, I DISCOVERED A BEAR THAT WAS SLIGHTLY BUT SURELY BIGGER THAN THE HIGUMA.
ゴゴゴゴ
I THOUGHT I DEFEATED THE GRIZZLY.
IF YOU COME UNTIL HERE, YOU'LL HAVE NO CHOICE BUT TO FIGHT THE POLAR BEAR.
WHY???
THIS PERSON'S AMAZING! SHE'S BEEN JUST RAPING ALL THE BEARS SO FAR!!
ISN'T THE BEAR COMPLETELY IRRELEVANT IN THIS ALREADY?
YOU WERE JUST ENJOYING YOUR FIRST TIME IN AMERICA.
Sender: Oohagi Botan
Subject: America
Right now I'm in America.
I'm surprised the hamburgers here are so big!
I'm so full!
Oh. Also I defeated the bear without breaking a sweat
The further North you go the stronger the bears are
Like a game.

Since you beat the best bear don't you think it's the end?
There's a sequel! After one month
JULY 31 I ALSO DEFEATED THE POLAR BEAR.
ズゥ
I DID IT!
She collapsed as soon as she saw her cellphone bill
IT'S BECAUSE YOU KEPT ON CALLING FROM OVERSEAS!
OTHER THAN BEAR THING, LOTS OF OTHER STUFF HAPPENED.
LIKE DEFEATING A GREAT SHARK IN JAPANESE WATERS.
AND DEFEATING THE BOA IN AFRICA
OR THE COBRA IN INDIA
The one I wasn't suppose to defeat is the bear. It's the system.
IT'S A BAD QUALITY CLAIMER!
FIX BOTH YOUR FEE PLAN AND YOUR WAY OF LIFE!

This is starting to go off topic again
PLAYING WITH SQUIRELLS IN THE TSURUOKA HACHIMAN SHRINE
She was able to defeat great satan with bravery alone even without the ball of light
She was able to defeat the super final boss with no damage. It was a heroic story without a heroic ending
WHAT KIND OF EPISODE HAD THAT IN THERE!?
KEEP THE GAMES IN YOUR HEAD!!
Anyway,
We'd just like to say to the 1st years and the reader that
This is Botan who received amnesty training so she can do that but it cannot be imitated by the general public.
Yes, we'll be careful!
WE'VE NEVER RECEIVED THIS KIND OF USELESS ADVICE BEFORE

You wanna kill a bear?
Since the new club members are coming too
Since we were able to try something new. Let's go to the crepe shop!
